

Table 2. – Investigation and Assessment performance measures, Queensland, 2008–09 to 2010–11

Measures	2008–09	2009–10	2010–11
Investigation and Assessments commenced within the required timeframe	30%	32%	32%
Investigation and Assessments finalised within 60 days	54%	56%	56%
Children subject to a Child Concern Report who experience a subsequent Notification within 12 months	17.2%	15.4%	na

Source: CCYPCG, *Queensland Child Guardian Key Outcome Indicators Update: Queensland Child Protection System 2008–11*

The Child Guardian Report covering the period July 2008 to June 2011 highlights that backlogs in meeting benchmarks for Investigations and Assessments have remained over the last eight years, with some improvement in performance in the last three years, but it remains consistently low..
