Dear Mr O'Shea,

Thank you for the opportunity to discuss with you yesterday some of the concerns which have been raised in relation to the investigation of complaints by certain staff members at the John Oxley Youth Centre, currently being conducted by Mr Noel Heiner.

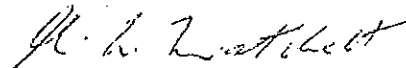

Following our discussions, I have forwarded to you for comment, under separate cover, a draft letter to Mr Heiner, seeking clarification of his interpretation of his authority to request certain documents pursuant to his investigations. I shall await your advice on the contents of the letter before proceeding further.

I have also forwarded to you, under separate cover, instructions in relation to a letter I received yesterday from a solicitor representing two staff members employed at the John Oxley Youth Centre. Your urgent advice on this matter would be greatly appreciated.

I anticipate a number of other matters in relation to the John Oxley Youth Centre investigation on which I will be seeking your advice, including your opinion on the legal validity of the investigation. Specific instructions on this matter will be forwarded to you shortly.

In the meantime, thank you once again for your assistance in this matter.

Yours sincerely,

R.L. Matchett (Ms.)
Acting Director-General.

Dear Mr Heiner,

I refer to your recent request to be provided with copies of certain correspondence, forwarded to me by persons who did not wish to appear before you in the course of your investigation of staff complaints at John Oxley Youth Centre.

Having perused the documentation relating to the establishment of the investigation, its terms of reference (copy attached) and your appointment to undertake the investigation, I find I am unclear as to certain aspects of the source of your authority to initiate such a request.

It would assist me in resolving this issue if you were to meet with me on Friday, 19 January 1990 at 9.30am to provide some clarification of your interpretation of the matter.

Please contact my secretary on 224 7052 to confirm that these arrangements are satisfactory.

Yours sincerely,

R.L. Matchett (Ms.)
