A/Secretary to Cabinet
Cabinet Secretariat

Dear Mr Tait

Thank you for your letter of 23 February 1990 regarding the disposal of certain records of an enquiry conducted by Mr N. J. Heiner in November 1989 into certain matters relating to the John Oxley Library Youth Centre. These records were delivered to my office on 23 February 1990. They were examined by myself and Ms Kate McGuckin, Senior Archivist, User Services. The records consist mainly of tapes and transcripts of interviews and some associated notes and correspondence. I am satisfied that they are not required for permanent retention. I hereby give approval, under the terms of Section 55 of the Libraries and Archives Act 1988, for the destruction of these records.

Arrangements have been made for the records to be returned to the Cabinet Secretariat.

Yours faithfully

L. McGregor
