Mr N Heiner,
10 Langura Crescent,
FERNY HILLS QLD 4055

Dear Mr Heiner,

I refer to previous correspondence concerning the inquiry conducted by yourself into the John Oxley Youth Centre and various discussions held between us in the recent past.

I have received advice from the Crown Solicitor and he confirms that your appointment to carry out the inquiry undertaken by you was in accordance with the Public Service Management and Employment Act 1988 and the powers reposed in the Chief Executive by Section 12 of that Act.

I appreciate that you have been engaged in a most difficult task which has consumed a significant amount of your time, however, in light of recent events, I have made the decision to request of you that you not continue the inquiry any further and therefore relieve you of any necessity of supplying a report in accordance with your original terms of reference.

I wish to advise that the material collected by you in the form of interviews with various members of the staff will remain confidential. Further, I am continuing to pursue the matter of your indemnity from any legal costs which may result from your involvement in the inquiry and I will advise you of a decision in respect of this matter shortly.

Yours faithfully,

R.L. Matchett (Ms)
Acting Director-General.
