Dear Ms Matchett

Re: Outcomes - investigation of complaints by certain staff members at  
John Oxley Youth Centre: vide your letter 19.3.90

The Union views with concern the lack of specific response from your Department to our request of February 27 for access by [redacted] to all material relating to [redacted] received by or emergent from the 'Heiner enquiry'.

This concern has been exacerbated by recent newspaper reports and statements by the Minister for Family Services and Aboriginal and Islander Affairs that all documents relating to the enquiry have been destroyed.

In consideration of our member's rights under the Public Service Management and Employment Act, I ask again for your urgent response to our original request, so that the Union can assess if any further action will be necessary.

We still await your response on this important matter.

Yours sincerely,

Steve Knudsen  
Acting General Secretary
