Dear Sir,

Re: Peter Coyne

I refer to your letter of 15th February 1990 and advise that Mr Walsh's recollection of the conversation was that there was no statement by him of any matter being discussed with Mr Heiner as is indicated in the last sentence of the first paragraph of your letter.

As advised in my letter of 16th February 1990 the other matters are subject to ongoing consideration.

Yours faithfully,

R.L. Matchett (Ms)
Acting Director-General
