Dear Mr Walker,

As a financial member of the A S U I am most concerned about complaints made by a minority of people at John Oley Youth Centre.

It appears that there is a one sided view of these issues. I fail to understand how a self nominated person can effectively conduct an inquiry when it appears that he is only getting statements from members who are claimingly victimized by Peter Coyne Manager of John Oley Youth Centre.

I was unaware of this until a staff member came to me expressing concern that Dave Smith questioned him on whether or not he felt that he was being victimised by Peter Coyne.

I feel that the way he had conducted his inquiry was one sided and unprofessional and have no confidence in this person as a self nominated delegate. I fully support the management of John Oley Youth Centre.

Yours faithfully
Lorraine Hayward
